MT = Mistime

DNF = Did Not Finish

A surprisingly fine day, given the previous weeks weather. Surface was perfect, nice and hard and a wee bit slippery to start off. Times very quickly reduced as the grass was cut off and the real competition between drivers began. Some very close times amongst the BGT crew, all chasing the best of the second team given Paul and Cam Walbran were having a competition of their own in 'Joseph'. Bevan Martins times were in a four wheel drive Mitsi VR4... (not quite a BGT V8)...

A few drivers from HCMC, including young 13 year old James Faulkner who gave things a good go.

No incidents, other than two cars rolling a tyre, perhaps due to low pressures.

Another great day at a great venue.
